Gerry Marshall, Announcer

Welcome to the Annual Spring Concert of the Classic City Band. It is our pleasure to have you as our guests this evening. We hope that you will enjoy the concert.

Since its inception 14 years ago, the Classic City Band has played important roles in civic and cultural activities of the region. We have performed throughout Northeast Georgia from Lake Hartwell to Atlanta and from Lake Lanier to the Morgan Cultural Center in Madison. In Athens we appear regularly in Blue Sky Concerts, at the Fourth of July Celebration in Bishop Park, at Art in the Park, at the Winterville Marigold Festival, and at the Annual Christmas Tree Lighting Ceremony. Additionally we sponsor and perform at two concerts each year and are constantly appearing at special civic events.

The band is composed of volunteers who receive nothing for their services other than the joy derived from playing their musical instruments. The Band receives no financial support from any governmental instrumentality. Donations from friends of the Band are the sole source of funds for music, printing, auditorium rental, and other expenditures.

Any donations that you would like to make to the Band can be made by mailing them to The Classic City Band, 195 Kingswood Drive, Athens, Georgia 30606.
